

Feedback Form

Reporting & Impact · learn from the experience and improve the next LEA Labs delivery

Purpose. LEA Labs uses feedback to help people and organisations learn, evolve, advance, and create impact. Honest feedback is used to improve facilitation, content, support, accessibility, technology, and follow-up.

1 · Feedback details

Field	Information
Programme / service	
Client / organisation	
Respondent type	☐ Learner ☐ Parent ☐ Client ☐ Partner ☐ Trainer
Date	
Session / period	
Optional name	

2 · Experience rating

Please circle or mark one response for each statement: 1 = strongly disagree, 5 = strongly agree.

Statement	1	2	3	4	5
The purpose and expected outcome were clear					
The content or service was relevant to my needs					
I had enough opportunity to practise or participate					
The LEA Labs team was clear, supportive, and respectful					
The tools, platform, venue, or materials worked well					
I can apply what I learned or received					

3 · What LEA Labs made possible

LEA aims to connect clear teaching, guided practice, evidence of capability, and a confident next step. Tell us what changed for you or your organisation.

Most useful part:

What you learned, created, improved, or can now do:

What should be improved:

4 · Open feedback

What should LEA Labs keep doing?

What should LEA Labs change or add?

What support would help you advance next?

Would you recommend this programme or service? Why?

5 · Permission and follow-up

☒ LEA Labs may contact me about this feedback. ☒ I would like to receive information about future programmes or services.

Additional comment or permission condition:

Data note. Use feedback for improvement and reporting in line with the consent, privacy, and data-handling arrangements agreed for the programme.
