

Learner / Parent Consent

Programme Delivery · complete before participation

LEA Labs connects practical learning, human guidance, and opportunity so learners can build skills, confidence, and evidence of what they can do. This form records the permissions needed for safe and effective programme delivery.

Learner details

Field	Information
Learner full name	
Preferred name	
Date of birth	
Learner ID	
Programme / course	
Cohort	
School / organisation	
Learner phone and email	

Parent or guardian details

Complete this section when the learner is under 18 years of age or requires a parent / guardian to provide consent.

Field	Information
Parent / guardian full name	
Relationship to learner	
Phone and email	
Alternative emergency contact	
Alternative contact phone	

Consent selections

Tick each permission that applies. A parent / guardian should complete the form for a learner under 18. The learner should also read and acknowledge the form.

Permission	Yes	No	Notes or restrictions
Participation in the stated LEA Labs programme and scheduled learning activities	☒	☒	
Participation in practical projects, group work, demonstrations, and presentations	☒	☒	
Supervised online learning, coding practice, or digital platforms used for the programme	☒	☒	
LEA Labs contacting the learner or parent / guardian about attendance, progress, safeguarding, and logistics	☒	☒	
Use of the learner's name and completed work for internal learning records and assessment evidence	☒	☒	
Photography, video, or audio recording for internal programme documentation	☒	☒	
Photography, video, or learner work in LEA Labs communications, reports, or public showcases	☒	☒	
Referral to appropriate support where a learning, wellbeing, accessibility, or safeguarding concern is identified	☒	☒	

A "No" response to media or public showcase permissions will not prevent participation. Write any restrictions in the notes column or below.

Health, access, and support information

Please share only information that LEA Labs needs to provide a safe and accessible learning experience.

Accessibility, learning, communication, or participation support required:
Relevant medical or emergency information:
Dietary, mobility, or other practical considerations:
Safeguarding, collection, or contact instruction:

Learner and parent / guardian declaration

We confirm that the information provided is accurate to the best of our knowledge. We understand that LEA Labs may use it to administer the programme, support participation, communicate with the learner or parent / guardian, maintain attendance and progress records, and respond to safety or safeguarding matters.

We understand that consent may be withdrawn or amended by written notice to the Programme Delivery Team. Withdrawal will not affect records LEA Labs is required to retain for legitimate operational, safeguarding, reporting, or legal purposes. Public media or showcase use will be stopped for future use after a valid withdrawal, where reasonably practicable.
