

Partner Renewal / Follow-up

Reporting & Impact · turn delivery evidence into a stronger next phase

Purpose. Use this document after a programme, service, or partnership activity to review value, maintain trust, address outstanding issues, and define whether LEA Labs and the partner should renew, expand, adapt, or close the relationship.

1 · Relationship details

Field	Information
Partner / client	
Programme / agreement	
Review date	
LEA Labs relationship owner	
Partner contact	
Current end date	
Reference	

2 · What LEA Labs delivered

LEA Labs creates practical value through its connected ecosystem: Learning Platform, Corporate Training, Technology Services, and Operations. In the review, explain which capability was used, how the work responded to the partner's need, and what evidence shows that the relationship created value.

Delivered scope and key outputs:

Partner, learner, organisational, or community outcome:

Evidence and feedback received:

3 · Relationship review

What worked well:

What was difficult or under-resourced:

What the partner values most about LEA Labs:

What LEA Labs should improve:

4 · Renewal conversation

Partner's current priorities or new need:

Potential renewed or expanded LEA Labs offer:

New audience, service, technology, or impact opportunity:

Commercial, funding, or procurement route:

5 · Follow-up plan

No.	Action / commitment	Owner	Due date	Status

4				

6 · Decision and next step

☐ Renew as agreed ☐ Renew with changes ☐ Explore new proposal ☐ Pause and review later ☐ Close respectfully

Decision rationale:

Next meeting / document / approval:

LEA Labs owner: Partner owner:

Target date:

Relationship principle. Renewal is not only a commercial decision. It is a decision about whether the partnership is still creating useful learning, capability, solutions, opportunity, and impact.
