Programme Delivery · Learner / Parent Consent Form

Document owner: Programme Delivery Team

Version: 1.0

Complete before participation: Yes

LEA Labs connects practical learning, human guidance, and opportunity so learners can build skills, confidence, and evidence of what they can do. This form records the permissions needed for safe and effective programme delivery.

1. Learner details

Field	Information
Learner full name	
Preferred name	
Date of birth	
Learner ID	
Programme / course	
Cohort	
School / organisation, if applicable	
Learner phone	
Learner email	
Home area / location	

2. Parent or guardian details

Complete this section when the learner is under 18 years of age or requires a parent / guardian to provide consent.

Field	Information
Parent / guardian full name	
Relationship to learner	
Phone	
Email	
Alternative emergency contact	
Alternative contact phone	

3. Consent selections

Please tick each permission that applies. A parent / guardian should complete the form for a learner under 18. The learner should also read and acknowledge the form.

Permission	Yes	No	Notes or restrictions
Participation in the stated LEA Labs programme and scheduled learning activities	☐	☐	
Participation in practical projects, group work, demonstrations, and presentations	☐	☐	
Participation in supervised online learning, coding practice, or digital platforms used for the programme	☐	☐	
LEA Labs contacting the learner or parent / guardian about attendance, progress, safeguarding, and programme logistics	☐	☐	
Use of the learner's name and completed work for internal learning records and assessment evidence	☐	☐	
Photography, video, or audio recording for internal programme documentation	☐	☐	
Photography, video, or learner work being used in LEA Labs communications, reports, or public showcases	☐	☐	
Referral to appropriate support where a learning, wellbeing, accessibility, or safeguarding concern is identified	☐	☐	

A “No” response to media or public showcase permissions will not prevent the learner from participating in the programme. Any restrictions should be written in the notes column or below.

4. Health, access, and support information

Please share only information that LEA Labs needs to provide a safe and accessible learning experience.

- Accessibility, learning, communication, or participation support required:

- Relevant medical or emergency information:

- Dietary, mobility, or other practical considerations:

- Any safeguarding, collection, or contact instruction that the delivery team must know:

5. Learner and parent / guardian declaration

We confirm that the information provided in this form is accurate to the best of our knowledge. We understand that LEA Labs may use the information to administer the programme, support participation, communicate with the learner or parent / guardian, maintain attendance and progress records, and respond to safety or safeguarding matters.

We understand that consent may be withdrawn or amended by written notice to the Programme Delivery Team. Withdrawal will not affect records that LEA Labs is required to retain for legitimate operational, safeguarding, reporting, or legal purposes. Public media or showcase use will be stopped for future use after a valid withdrawal, where reasonably practicable.
