Trainer session delivery record

Field	Information
Programme / course	
Module / session title	
Cohort	
Delivery date	
Venue / online platform	
Learning outcome	
Practical activity or project	
Materials used	
Attendance register reference	
Assessment or evidence produced	
Follow-up required	

Trainer reflection. What did learners practise, what evidence did they produce, what feedback was given, and what should change in the next session?

Verification and close-out

Check	Completed by	Date	Notes
Trainer documents are complete and securely stored			
Outstanding items have an owner and due date			
Trainer received the programme and safeguarding briefing			
Attendance and delivery records are up to date			
End-of-course records have been archived			

Trainer acknowledgement: I confirm that the documents and delivery records listed above are accurate and that I will promptly report any change that affects my ability to deliver the programme safely and effectively.

Signatory	Full name	Signature	Date
Trainer			
Programme coordinator			
Operations / compliance reviewer			

Confidentiality. Store trainer identity, contract, payment, safeguarding, and performance records in a restricted staff or trainer folder. Do not place sensitive documents in learner-facing programme folders.
